VOLUNTEER ACTIVITIES			
<p>Be involved with the award winning North Shore Scenic Railroad. Work in a friendly environment where you are at the “front line” to all of our visitors, working directly with customers each day. Duties include working in our Ice Cream/Candy shop and learning the register and sales process to maintain the store. Depending on interest and qualifications, you can offer guests information on the Railroad Museum and even give some tours. Working on the train is limited to certain event trains, but you could be asked to work on an excursion train from time to time. All Incredible Exchange volunteers are also included in most staff/member events, so there are lots of opportunities to have fun and meet great people. The Railroad museum and Scenic Railroad operate seven days a week in the summer. As non-profit organizations, we rely heavily on the generosity of hundreds of volunteers to make this operation run--an it's tons of fun!</p>
